2024-2025 Cost of Attendance Adjustment Request

Last Name: _____ First Name: _____ ID #:A _____

A student’s Cost of Attendance (COA) or budget is comprised of both direct and indirect expenses related to the student attending a college or university. The COA is inclusive of direct: tuition and fees and indirect expenses: living expenses, transportation costs, books, supplies, food, and personal expenses. If you believe your COA does not accurately reflect your situation you may use this form to request a review, at the discretion of the Financial Aid office, your expenses and receive a potential increase to your COA.

Please note that federal law does **not** allow a COA increase for the following:

1. Credit card/consumer debt
2. Entertainment or other personal choice expenses
3. Home or automobile purchase
4. Living expenses not directly related to education
5. Living expenses or educational costs of a student’s spouse or children (except for dependent care)
