Therefore, you must relinquish/give up eligibility entitlement to the benefit that you are *not* applying for **but only with regard to the entitlement arising from the same event** (i.e., your parent's line of duty death that occurred on or after August 1, 2011). By checking either box "A" or box "B" in Item 21, you agree and understand that you are making an *irrevocable* election to receive the selected benefit and your election may not be changed.

IMPORTANT: Unlike spouses, children may be able to retain eligibility for both programs simultaneously if they qualify under different events and individuals (i.e., a separate parent's line of duty death that occurred on or after August 1, 2011).

IMPORTANT: Eligibility for (DEA) will be terminated in the event that VA determines that the individual on whose account benefits are claimed is no longer totally disabled or VA is notified that the individual is no longer listed as captured, missing in action, or forcibly detained.

NOTE: Before making your election selection, you can compare the differences between DEA and Fry, and the benefits each provide in order to help you make the best choice that suits your needs. This benefit comparison information can be found on the VA website at: https://www.benefits.va.gov/gibill/docs/factsheets/fry_scholarship.pdf. You can also find additional information about each program by visiting the GI Bill website at https://benefits.va.gov/gibill/docs/factsheets/fry_scholarship.pdf. You can also find additional information about each program by visiting the GI Bill website at https://benefits.va.gov/gibill/, and using the comparison tool.

ITEM 22. Your election to receive Survivors' and Dependents' Education Assistance (DEA) or Chapter 33 Post-9/11 GI Bill Marine Gunnery Sergeant John David Fry Scholarship (Fry Scholarship) in lieu of payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) is final and cannot be changed. This means that if you are 18 or older, payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) will be terminated upon issuance of a DEA or Fry Scholarship benefit payment. If you are under the age of 18, these benefits will be terminated on your 18th birthday. If you are planning to pursue a program of education for more than 36 months, you should consider deferring receipt of DEA or Fry Scholarship benefits. We strongly recommend that you discuss your education or training plans with a VA counselor before making a decision.

ITEM 23B. Types of education or training programs are self-explanatory, except for the following:

"Licensing or Certification Test" - A "licensing test" is a test offered by a state, local, or federal agency that is required by law to practice an occupation. A "certification test" is a test designed to provide affirmation of an individual's qualifications in a specific occupation.

"Prep Course for License/Certification Test" - A preparatory course prepares you to take a licensing or certification test as described above. Reimbursement for this type of training begins for courses taken on or after August 1, 2021.

"National Admission Exams or National Exams for Credit" - You may be reimbursed for the cost of approved tests for admission to or credit at institutions of higher learning.

"Correspondence Course" - You may receive benefits for correspondence training. Payments for correspondence courses are made quarterly after VA receives a certification showing the number of lessons completed. DEA children are not eligible to receive benefits for this training. For more information on correspondence courses, you can go to the VA website at: <u>https://www.benefits.va.gov/gibill/correspondence_training.asp</u>.

"Flight Training" - You must already have a private pilot's license. If you are taking an Airline Transport Pilot course, you must have a valid firstclass medical certificate on the date that you enter training. For all other flight courses, you must have a valid second-class medical certificate on the date that you enter training.
