

## YOUR FUTURE: NURSING

Goldfarb School of Nursing in St Louis offers you three paths to a Bachelor of Science in Nursing. Learn in high-tech classrooms, practice skills with 40+ lifelike sims and virtual reality, and get experience in world-class BJC hospitals!

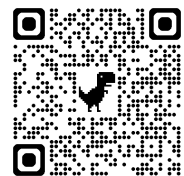

1. *Are you working toward your associate's degree?* You can transfer to the Goldfarb [Upper Division BSN](#), a two-year (20-month) program that is effectively your junior and senior year of college.
2. *Got a bachelor's degree already?* If you're taking prerequisites for nursing school and have a non-nursing bachelor's degree, Goldfarb has a 12-month [Accelerated BSN](#) to launch your career change.
3. *Working full time with your associate's degree?* The Goldfarb [Weekend/Evening BSN](#) is a 36-month path to a nursing career.

**Why get a BSN?** New graduate nurses in Missouri and Illinois earn \$67,544 - \$72,505 per year on average (range \$61-\$81K) as of October 2024. And for nurses, the BSN is often required in hiring or for career development.

## YOUR NEXT CAMPUS: GOLDFARB

Located on the thriving BJC and Washington University Medical Campus in St. Louis, Goldfarb's lively and secure campus is hopping with students and health professionals! Students have access to Forest Park, museums, live music, eclectic shops, restaurants, the Arch, and more! Also sports, like the St Louis Cardinals, St Louis City SC Major League Soccer club, St Louis Surge basketball – and don't forget that the St Louis Blues is OUR SCHOOL TEAM!
